

Tin whistle tabs for: Wake me up when september ends

Categories: Rock

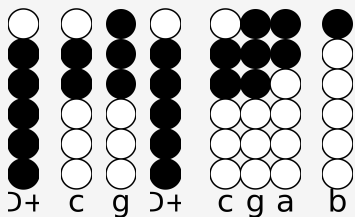

Author/Performer: Green Day

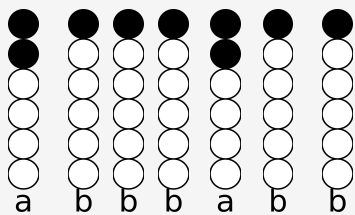

summer has come and past

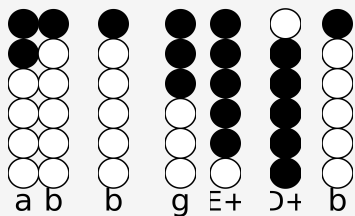

the innocent can never last

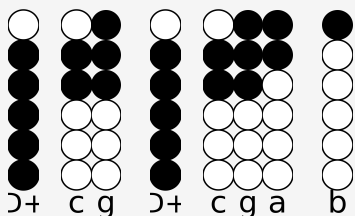

wake me up when september ends

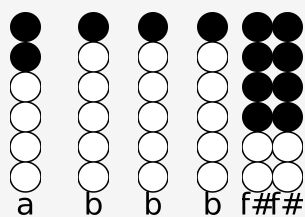

like my fathers come to pass

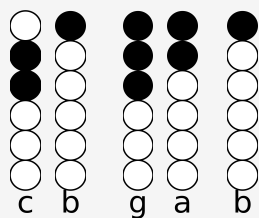

seven years have gone so fast

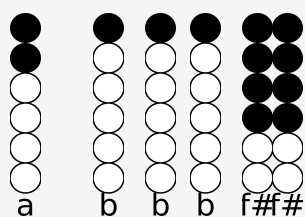

wake me up when september ends

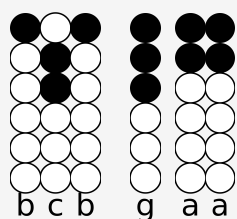

here comes the rain again

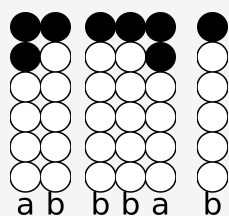

falling from the stars

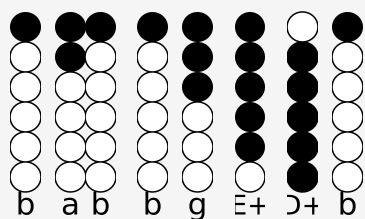

drenched in my pain again

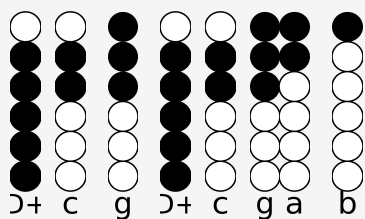

becoming who we are

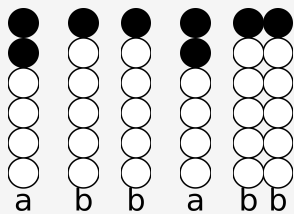

as my memory rests

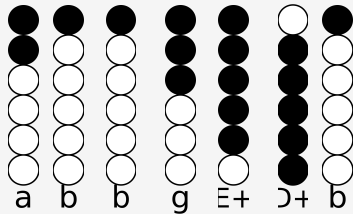

but never forgets what i lost

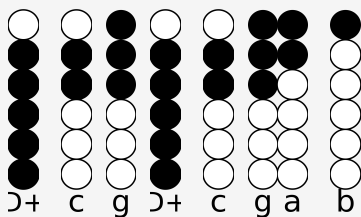

wake me up when september ends

ring out the bells again

like we did when spring began

wake me up when september ends

here comes the rain again

falling from the stars

drenched in my pain again

becoming who we are

like my fathers come to pass

twenty years have gone so fast

wake me up when september ends

wake me up when september ends

wake me up when september ends.
