===== 2x Oh =====

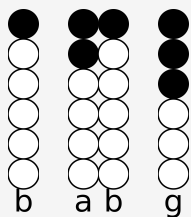

b g a b g
Oooo-----h

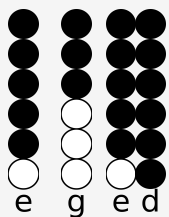

g c b a b g a b a

Oooo-----h

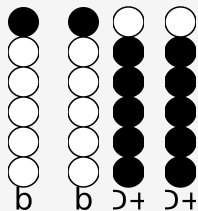

===== VERSE =====

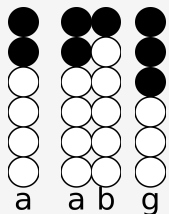

b a b g
Give me freedom

e g e d
give me fire,

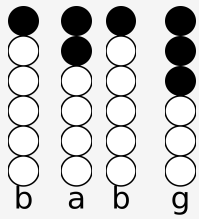

b b c c
give me reason,

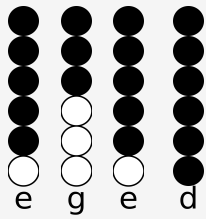

a a b g

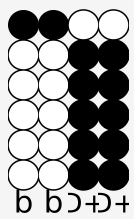

take me higher

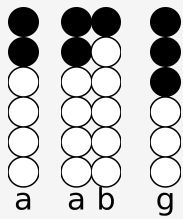

See the champions

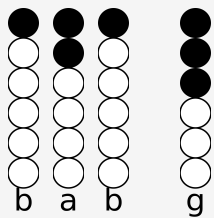

take the field now,

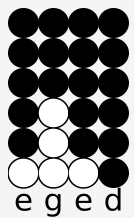

unify us,

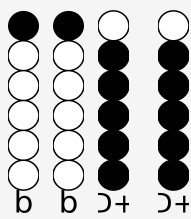

make us feel proud

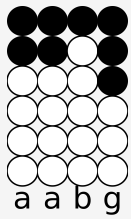

In the streets are

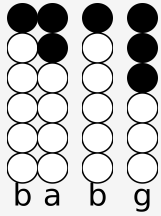

exalifting

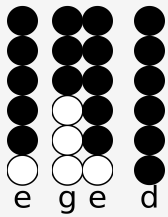

as we lose our

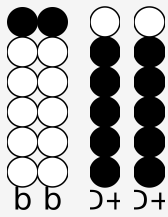

inhibition

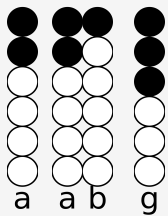

Celebration,

its around us,

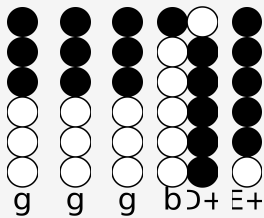

every nations,

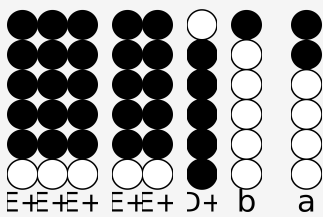

all around us

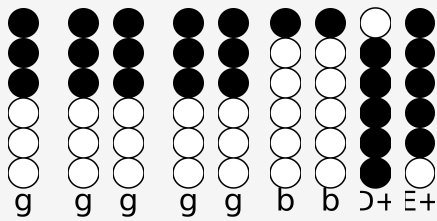

===== BRIDGE =====

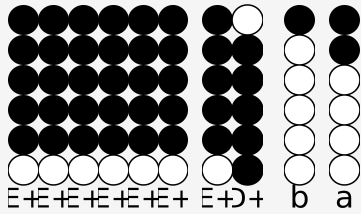

Singing forever young,

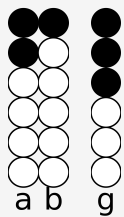

singing songs underneath that su-n

Lets rejoice in the beautiful game,

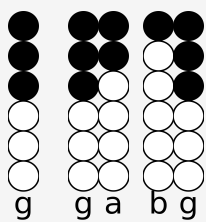

and tog-eth--er at the end of the da-y

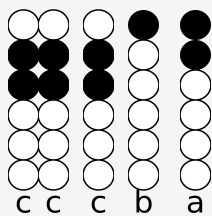

We all say...

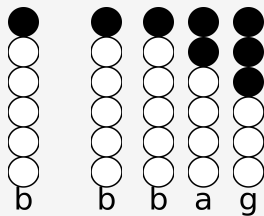

===== REFRAIN =====

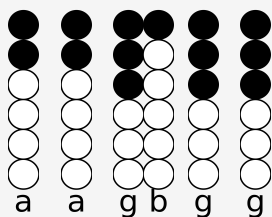

When I get older,

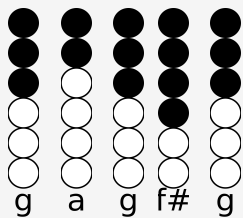

I will be stronger

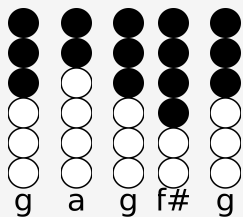

Theyll call me freedom,

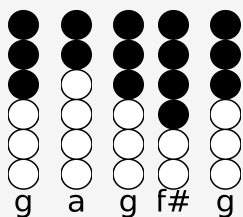

just like a waving flag

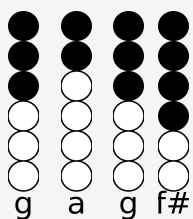

And then it goes back,

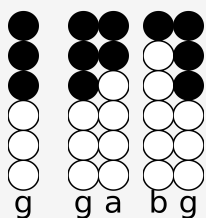

and then it goes back,

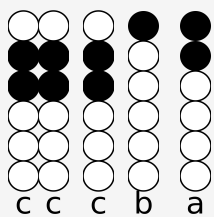

and then it goes back,

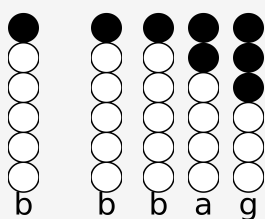

and then it goes

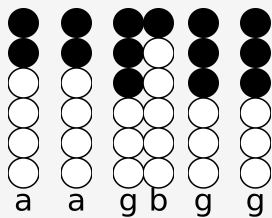

When I get older,

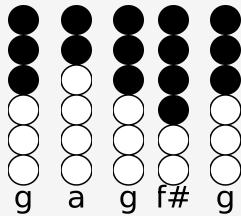

I will be stronger

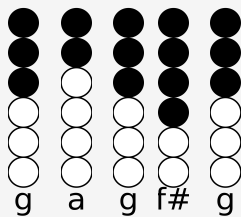

Theyll call me freedom,

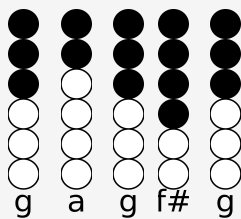

just like a waving flag

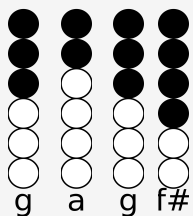

And then it goes back,

and then it goes back,

and then it goes back,

and then it goes
