Strange aff -lic - tion wash o v - - er me

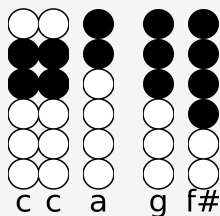

Ju-l-ius caeser and the roman empire

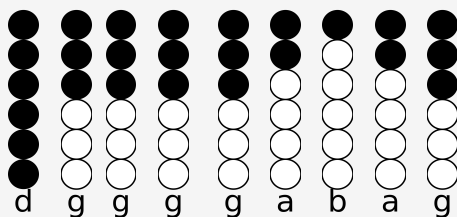

Couldn't conquer the blue\_\_\_\_\_ sky

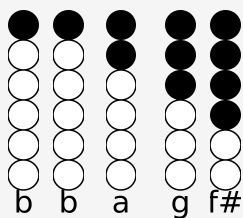

Chorus

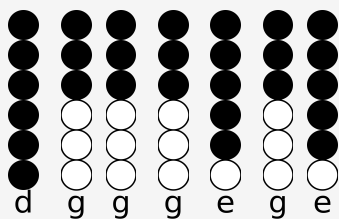

Ev-ry where you go

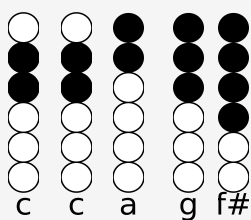

You always take the weather with you

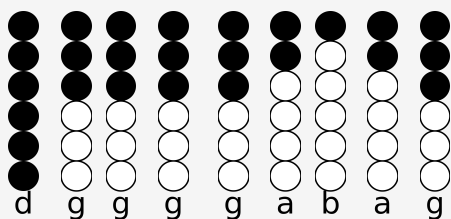

Ev-ry where you go

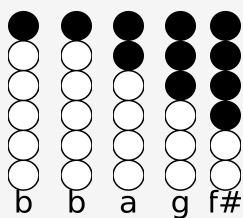

You always take the weather

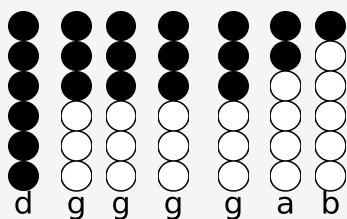

Ev - ry where you go

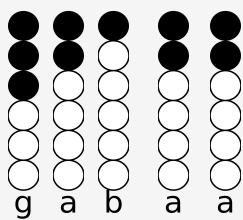

You always take the weather with you

Ev-ry where you go

You always take the weather

The weather, with you

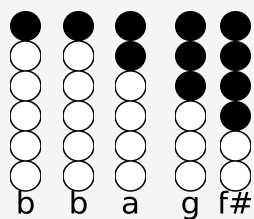

Verse 2

Well, there's a small boat made of china

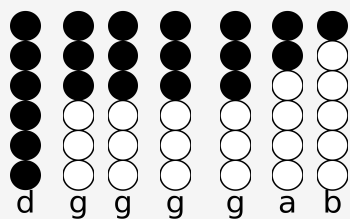

It's going nowhere on the mantelpiece  
 Well, do I lie like a lounge room lizzard  
 Or do I sing like a bird released

Chorus

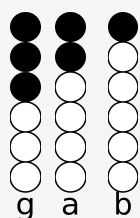

Then play out with

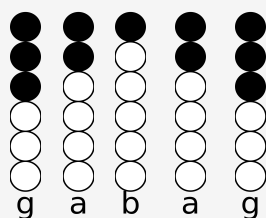

Eve-ry where you go

You always take the weather

THE WEATHER,

THE WEATHER WITH YOU !
