

Tin whistle tabs for: When I'm Cleaning Windows

Categories: Folk

Author/Performer: George Formby

Now I go cleaning windows

To earn an honest bob

For a nos-ey parker

It's an interesting job

Now it's a job that just suits me

A window cleaner you would be

If you could see what I can see

When I'm cleaning windows

Honey mooning couples too

You should see them bill and coo

You'd be surprised at things they do

When I'm cleaning windows

In my profession I'll work hard

But I'll never stop

I'll climb this blinking ladder

'Til I get right to the top

The blushing bride she looks devine

The bride groom he is doing fine

I'd rather have his job than mine

When I'm cleaning windows

The chamber maid sweet names I call
It's a wonder I dont fall

My mind's not on the work at all
When I'm cleaning windows
I know a fella, such a swell
He has a thirst, that's plain to tell
I've seen him drink his bath as well
When I'm cleaning windows
In my profession I'll work hard
But I'll never stop
I'll climb this blinking ladder
'Til I get right to the top
Pyjamas lying side by side
Ladies' nighties I have spied
I've often seen what goes inside
When I'm cleaning windows
Now there's a famous talkie queen
She looks a flapper on the screen
She's more like eighty than eighteen
When I'm cleaning windows
She pulls her hair all down behind
Then pulls down her....never mind !!
And after that pulls down the blind
When I'm cleaning windows
In my profession I'll work hard
But I'll never stop
I'll climb this blinking ladder
'Til I get right to the top
An old maid walks around the floor
She's so fed up one day I'm sure
She'll drag me in and lock the door
When I'm cleaning windows
