

Tin whistle tabs for: Wherever you will go

Categories: Rock

Author/Performer: The Calling

So lately you're wondering who will be there to

take my place when I'm gone you'll need love to

light the shadows on your face If a great wave

shall fall fall upon us all then between sand

and stone could you make it on your own

Chorus

If I could then I would I'll go wherever you will

go way up high or down low I'll go wherever you

will go

Maybe I'll find out a way to make it back

someday to want you to guide you through the

darkest of your days If a great wave shall fall

and fall upon us all then I hope there's

someone out there who can bring me back to you
chorus

Run a way with my heart run away with my hope

run a way with my love

I know now just quite how my life and love might

still go on In your heart in your mind I'll stay

with you for all of time

Chorus

If I could turn back time I'll go wherever you

will go If I could make you mine I'll go

wherever you will go I'll go wherever

you will go
