

Tin whistle tabs for: White Room

Categories: Rock

Author/Performer: Cream

Ahhhh.....

Ahhhh.....

Ahh

In the white room with black cur-tains

Black-roof coun-try; no gold pave-ments

Sil-ver hors-es ran down moon-beams

Dawn-light smiles on you leav-ing

Ill wait in this place

Where the sun ne-ver shines

Wait in this place

Where the sha-dows run from them-selves
