I know it's late,

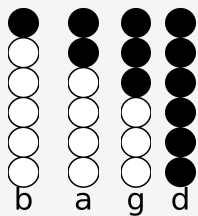

I know you're wear-y,

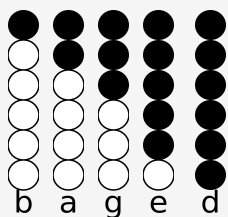

I know your pl-ans,

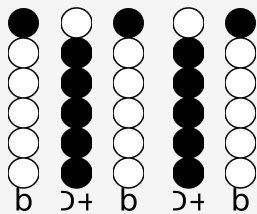

Don't in-clude me-ee,

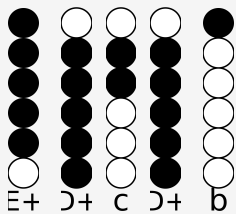

Still here we are,

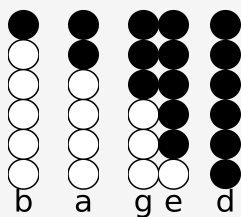

Both of us lone-ly,

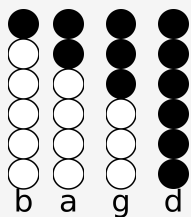

Long-ing for shel-ter,

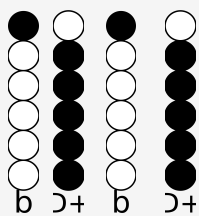

From all we see-ee,

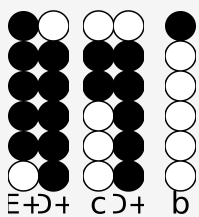

Why should we wor-ry,

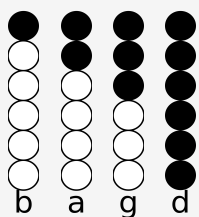

No one will care,

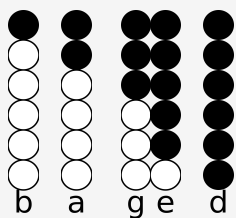

Look at the stars,

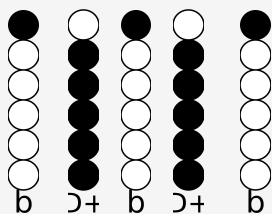

So far a-way-ay,

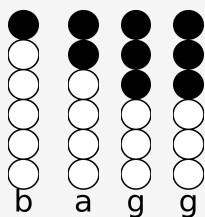

We've got to-night,

Who needs to-mor-row?

We've got to-night, babe,

Why don't we stay?
