

Tin whistle tabs for: Why

Categories: Rock

Author/Performer: Avril Lavigne

Why do you always do this to me, why

couldn't you just see through me how come

you act like this like you just don't care at all

do you expect me to believe I was the on-ly

one to fall

I can feel I can feel you near me even though

you're far away I can feel I can feel you baby

why It's not supposed to feel this way I

need you I need you more and more each day

It's not sup posed to hurt this way I need

you I need you I need you tell me are you

and me still together tell me you think we can

last forever tell me why

Hey listen to what we're not sayin let's

play a different game than what we're playin

try to look at me and really see my heart

do you expect me to believe I'm gonna let us

fall apart

I can feel I can feel you near me even though

you're far away I can feel I can feel you baby

why It's not supposed to feel this way I

need you I need you more and more each day

It's not sup posed to hurt this way I need

you I need you I need you tell me are you

and me still together tell me you think we can

last forever tell me why

Go and think about whatever you need to think

about go on and dream about whatever you need

to dream about and come back to me when you know

just how it feels it feels

I can feel I can feel you near me even though

you're far away I can feel I can feel you baby

why It's not supposed to hurt this way I

need you I need you more and more each day

It's not supposed to hurt this way I need

you I need you I need you tell me It's not

supposed to hurt this way I need you I

need you more and more each day It's not

supposed to hurt this way I need you I

need you I need you tell me why
