

Tin whistle tabs for: Wind And Rain

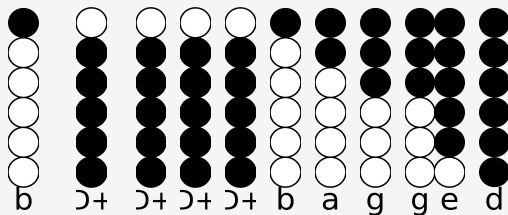

Categories: Folk

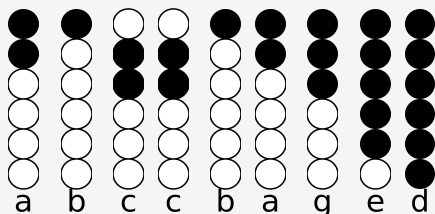

Two lovely sisters were a walkin' side by side

Oh the wind and- rain

One pushed the other in the water so deep

And she cried a dreadful wind and rain

She floated on down to the miller's pond

Oh the wind and rain

She floated on down to the miller's pond

And she cried a dreadful wind and rain

He hooked her up by the tail of her gown

Oh the wind and rain

He hooked her up by the tail of her gown

And she cried a dreadful wind and rain

He made fiddle strings of her long black hair

Oh the wind and rain

He made fiddle strings of her long black hair

And she cried a dreadful wind and rain

He made fiddle pegs of her long finger bones

Oh the wind and rain

He made fiddle pegs of her long finger bones

And she cried a dreadful wind and rain

And the only tune that the fiddle would play
Oh the wind and rain
And the only tune that the fiddle would play
Was oh the dreadful wind and rain
