

Tin whistle tabs for: You Belong With Me

Categories: Country Pop

You're on the phone with your girl-friend,

She's up-set

She's go-ing off a-bout some-thing that you said,

'cause she does-n't get your hu-mor like I do.

I'm in the room, its a typ-i-cal Tues-day night

I'm lis-tenin' to the kind of mu-sic

she does-n't like,

And she'll nev-er know your sto-ry like I do. But

Bridge:

she wears short skirts, I wear T-shirts.

She's cheer cap-tain and I'm on the bleach-ers.

Dream-ing 'bout the day when you wake up

and find that what you're look-ing for

has been here the whole time.

Chorus:

If you could see that

I'm the one who un-der-stands you,

Been here all a-long so why can't you see?

You be-long with me

You be-long with me

Verse 2:

Walking the streets with you in your worn out jeans
I can't help thinking this is how it ought to be
Laughing on the park bench, thinking to myself
Hey isn't this easy?

And you've got a smile that could light up this whole town
I haven't seen it in awhile, since she brought you down
You say you fine I know you better than that
Hey, Whatcha doing with a girl like that?

Bridge:

She wears high heels, I wear sneakers.
She's cheer captain and I'm on the bleachers.

Dreaming 'bout the day when you wake up and find
That what you're looking for has been here the whole time

Chorus:

If you could see that I'm the one who understands you
Been here all along so why can't you see?
You belong with me

Stand-ing by, and wait-ing at your back door.

All this time how could you not know, ba-by

You be-long with me

You be-long with me

Bridge:

Oh, I re-mem-ber you driv-in to my house

in the mid-dle of the night.

I'm the one who makes you laugh,

when you know you're 'bout to cry.

And I know your fa-v'rite songs

and you tell me 'bout your dreams.

Think I know where you be-long;

think I know it's with me.

Chorus:

Can't you see that

I'm the one who un-der-stands you?

Been here all a-long so why can't you see

You be-long with me

Standing by or waiting at your back door
All this time how could you not know that
You belong with me
You belong with me

You be-long with me

Have you ev-er thought just may-be

You be-long with me?

You be-long with me.
