

Tin whistle tabs for: You Look So Good In Love

Categories: Country

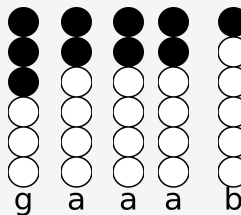

Author/Performer: George Strait

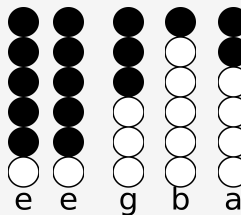

Oh how you sparkle,

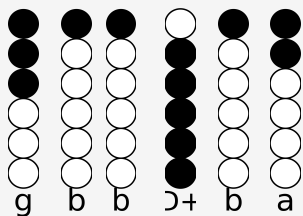

and oh how you shine.

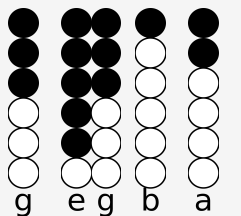

That flush on your cheeks

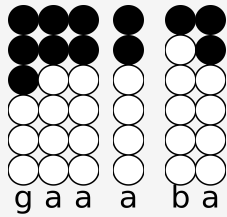

is more than the wine.

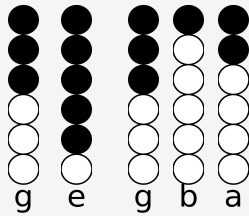

And he must do something

that I didn't do.

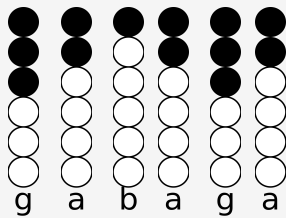

Whatever he's doing,

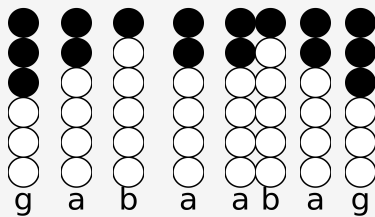

it looks good on you.

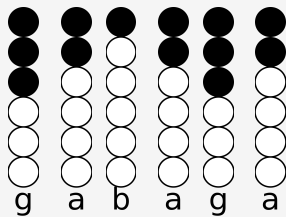

Chorus:

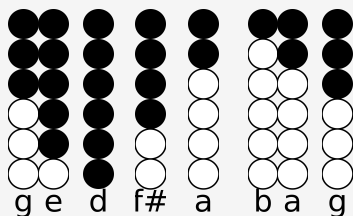

You look so good in love.

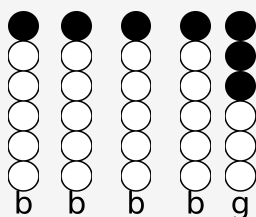

You want him, that's easy to see.

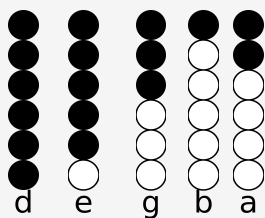

You look so good in love.

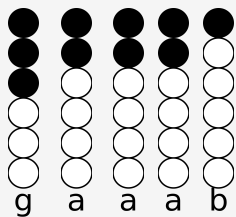

And I wish you still wanted me.

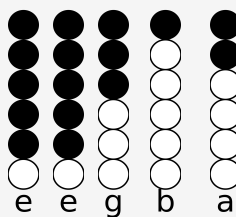

He must have stolen

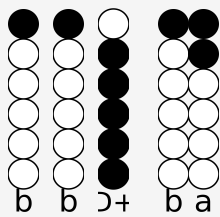

some stars from the sky,

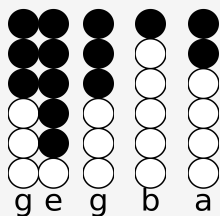

And gave them to you

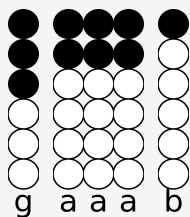

to wear in your eyes.

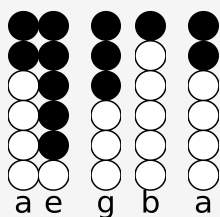

I had my chances,

but I set you free.

And now I wonder

why I couldn't see.

Chorus:

Darling I've wasted a lot of years
not seeing the real you,
But tonight your beauty is shining through.
And I never took the time to let you know,
So before he takes you away please let me say.
Chorus:
