Here I stand head in hand,

turn my face to the wall.

If she's gone I can't go on

feelin' two-foot small.

Ev'rywhere people stare

Hearing them, seeing them in the state I'm in.

How could she say to me "Love will find a way"?

Gather round all you clowns, let me hear you say .

Hey, you've got to hide your love away.

Hey, you've got to hide your love away.
