We will,

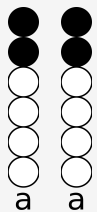

we will be young forever

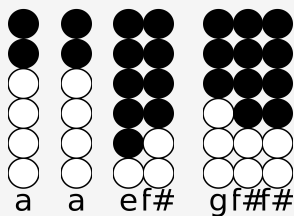

and ever!

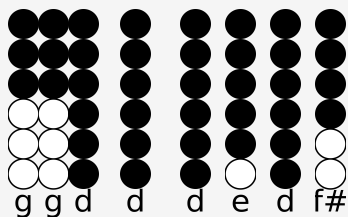

We will,

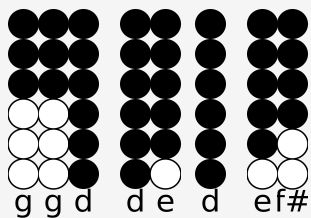

we will be young forever

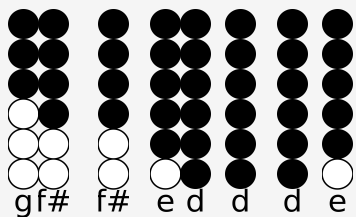

We are the ones to make it right

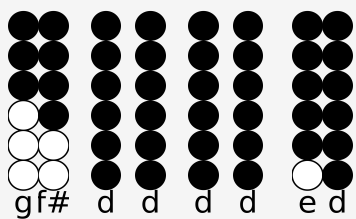

We are the people of our time

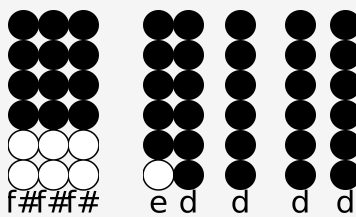

We hold the future in our hands

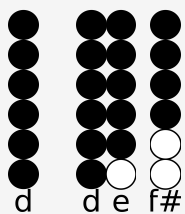

We have a lot to build upon

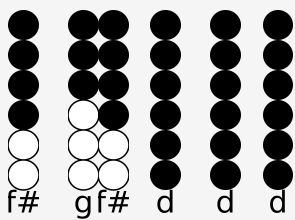

Together we can have it all

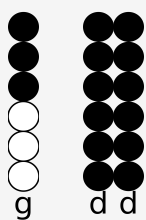

With every step,

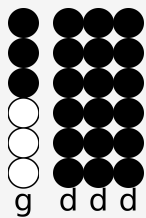

we're moving on and on

There's enough

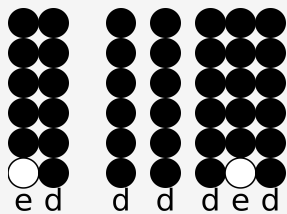

for everyone

And more to go around

You and me forever free

We will,

we will stay young forever

and ever!

Forever

and ever!
