Categories: Pop

Verse 1:

They say for every boy and girl

there's just one love in this whole world,

and I know I found mine.

The heavenly touch of your embrace

tells me no one can take your place

ever in my heart.

Chorus:

Young love, first love,

filled with true devotion.

Young love, our love,

we share with deep emotion.

Verse 2:

Just one kiss from you sweet lips

will tell me that your love is real

and I can feel that its true.

We will vow to one another

there will never be another

love for you and for me.

Repeat Chorus
