Is it getting better or do you feel the same

will it make it easier on you now

you got someone to blame you say one love

one life when it's one need in the night

it's one love we get to share it

it leaves you baby if you don't care for it

did i disappoint you?

or leave a bad taste in your mouth?

you act like you never had love

and you want me to go without

well it's to late tonight

to drag the past out into the light

we're one but we're not the same

we get to carry each other

carry each other one

have you come here for forgiveness

have you come to raise the dead

have you come here to play Jesus

to the lepers in your head

did I ask to much? more than alot

you gave me nothing now it's all I got

we're one but we're not the same

we hurt each other then we do it again

you say love is a temple love a higher law

love is a temple love the higher law

you ask me to enter but then you make me crawl

and I can't be holding on to what you got

when all you got is hurt one love one blood

one life you got to do what you should

one life with each other

sisters brothers

one life but we're not the same

we get to carry each other

carry each other one

one
