

# Tin whistle tabs for: A Picture from Life's Other Side

Author/Performer: Woody Guthrie, Hank Williams

In the world's mighty gallery of pictures

There's scenes painted from life

Scenes of youth and of beauty

Scenes of hardship and strife

Scenes of wealth and of plenty

Old age and a blushing young bride

All hang on the wall

But the saddest of all

Is a picture from life's other side

A picture from life's other side

Somebody has fell by the way

And a light has gone out with the tide

That might have been happy someday

Some poor mother at home

Is watching and waiting alone

Longing to hear, from her sweetheart so dear

That's a picture from life's other side  
 Now the first scene is that of two brothers  
 Their paths in life differently led  
 One lived in luxury and riches  
 And the other one begged for his bread  
 One night they met on the highway  
 Your money; your life; one cried  
 Then with his knife, he took his own brother's life  
 That's a picture from life's other side  
 Now the next scene is down by the river  
 A heartbroken mother and babe  
 In the harbor light there see them shiver  
 Outcasts that no one will save  
 Once she was a true woman  
 Somebody's darling and pride  
 God help her she leaps  
 There's no one to weep  
 That's a picture from life's other side
