

Tin whistle tabs for: Across The Western Ocean

Genre: folk

Oh the times are hard and the wag-es low

A-me-lia, where you bound to?

The Rock-y Moun-tains are my home

A-cross the west-ern o-cean.

Oh the land of prom-ise there you'll see

A-me-lia, where you bound to?

I'm bound a-cross that west-ern Sea.

To join the I-rish ar-my

And to Liv-er-pool I'll take my way

A-me-lia, where you bound to?

To Liv-er-pool that Yan-kee school.

A-cross the west-ern o-cean.

There's Liv-er-pool Pat

with his tar-p'lin hat

A-me-lia, where you bound to?

And Yan-kee John the pack-et rat.

A-cross the west-ern o-cean.

Be-ware the pack-et ships, I say,

A-me-lia, where you bound to?

They steal your stores and clothes a-way.

A-cross the west-ern o-cean.
