

# Tin whistle tabs for: After Dark

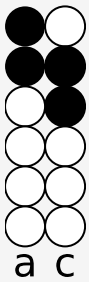

Author/Performer: Tito & Tarantula

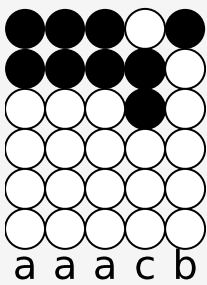

Watching her

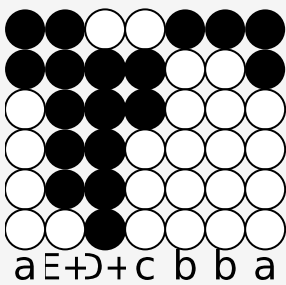

Strolling in the night

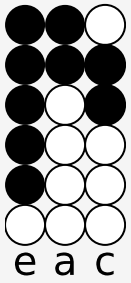

So white

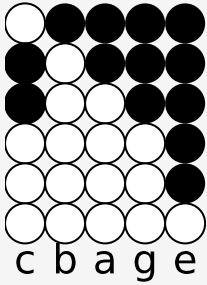

Wondering why

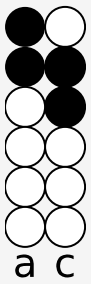

It's only After Dark

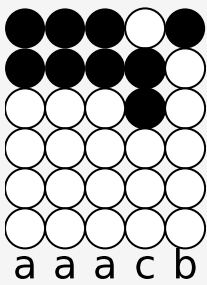

In her eyes

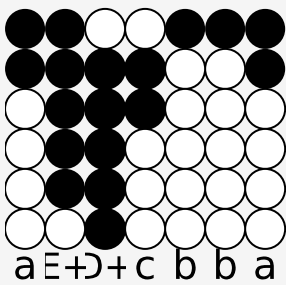

Distant fire light

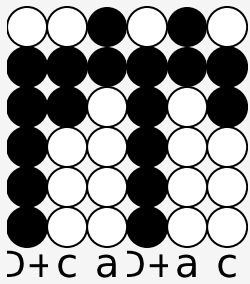

burns bright

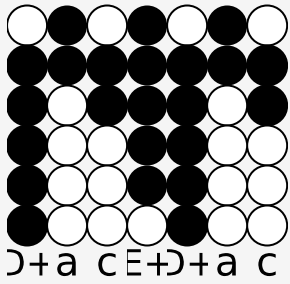

Wondering why

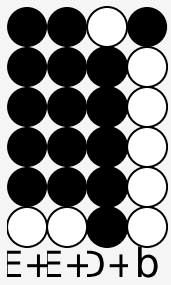

It's only After Dark

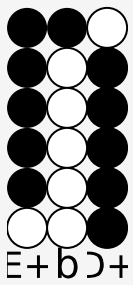

Find myself in her room

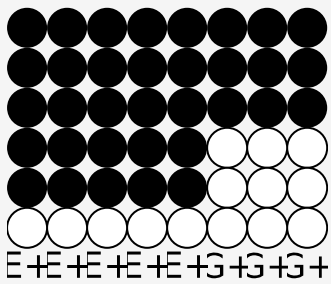

Feel the fever of my doom

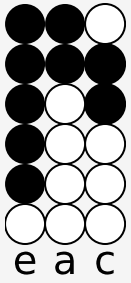

Falling falling

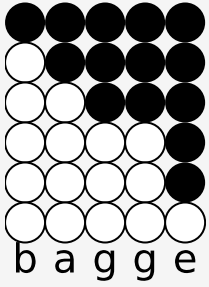

Through the floor

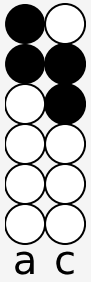

I'm knocking on the Devil's door

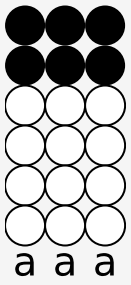

In the Dawn

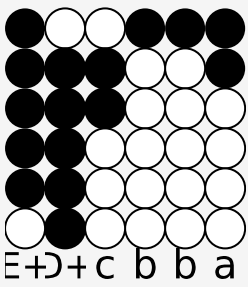

I wake up to find

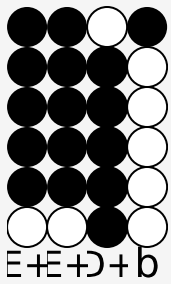

her gone

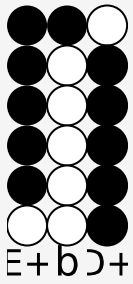

And a note says

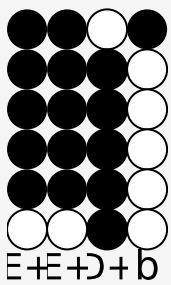

Only After Dark

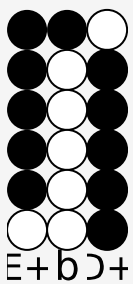

Burning burning

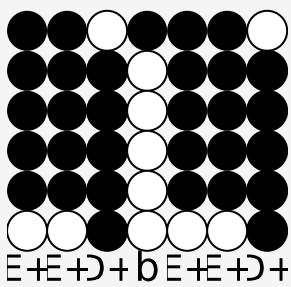

in the flame

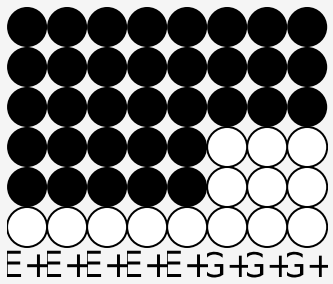

Now I know her

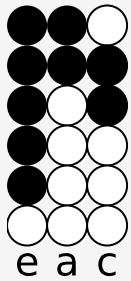

secret name

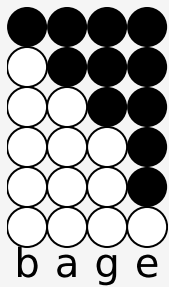

You can tear her temple down

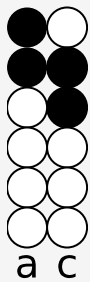

But she'll be back and rule again

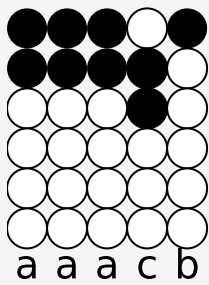

In my heart

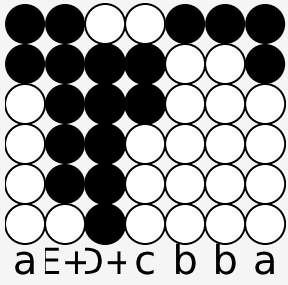

A deep, dark and

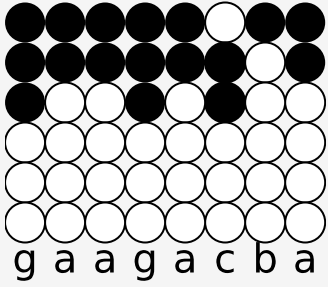

lonely part

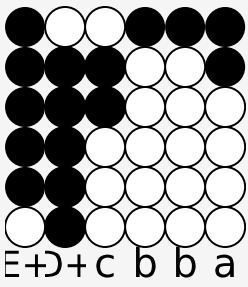

Wants her and

waits for After Dark

After Dark After Dark

Only After Dark
