Author/Performer: Carly Simon

We-- can never know about the days to come

But- we think about them any--way----

And I wonder if I'm really with you now

Or just chasing after some fin--er day---

Anticipation, Anticipation

Is making me late

Is keeping me waiting-----

And- I tell you how easy--- it feels to be-- with you

d a b g c b g a b a f# d

And how right your arms feel around me-----.

But- I-, I rehearsed those words just late last night

When I was thinking about how right tonight might be----

Anticipation, Anticipation

Is making me late

Is keeping me waiting-----

And- tomorrow we might not be---- together---

I'm no prophet, I don't know nature's way----

So I'll try- and see into your eyes right now

And stay right here, 'cause these are the good old days.

And stay right here, 'cause these are the good old days--.

These are the good old days

These are the good old days

These are the good old days

These are- the good old days
