

# Tin whistle tabs for: avondlied

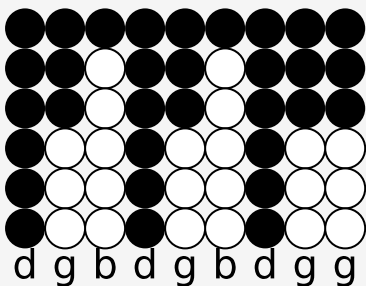

Author/Performer: Scouts

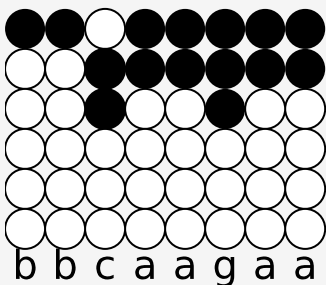

O Heer, d'avond is neergekomen,

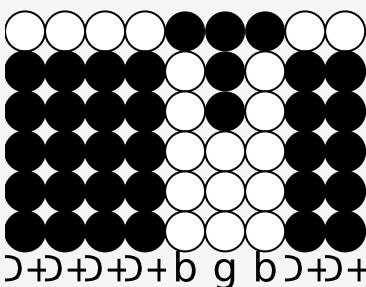

de zonne zonk, het duister krom.

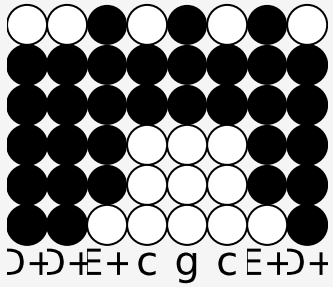

De winden doorruisen de bomen

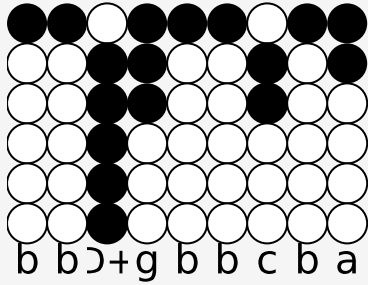

en verre sterren staan alom...

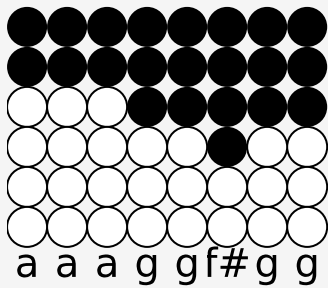

Wij knielen neer om U te zingen

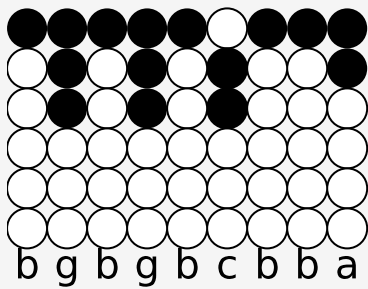

in 't slapend woud ons avondlied.

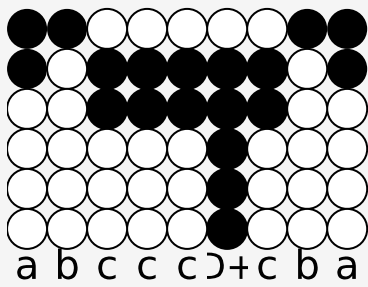

Wij danken U voor wat w ontvingen,

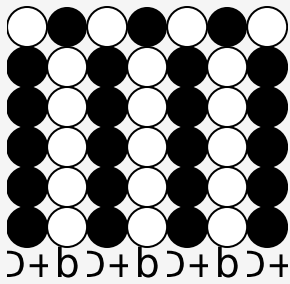

En vragen, Heer, verlaat ons niet!

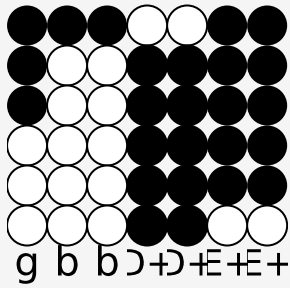

Knielen, knielen, knielen wij neder,

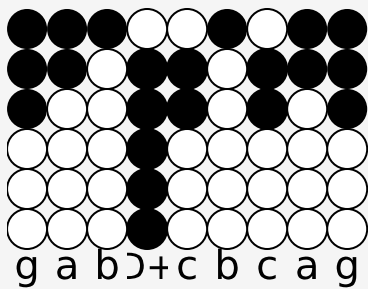

door de stilte weerklinkt onze beê

Luist'rend fluist'ren kruinen mee

en sterren staren teder.

Geef ons Heer, zegen en rust en vreê!
