## Lyrics

I met my love by the gas works wall  
Dreamed a dream by the old canal  
I kissed my girl by the factory wall  
Dirty old town, Dirty old town  
  
Clouds are drifting across the moon  
Cats are prowling on their beat  
Spring's a girl from the streets at night  
Dirty old town, Dirty old town  
  
I heard a siren from the docks  
Saw a train set the night on fire  
I smelled the spring on the smoky wind  
Dirty old town, Dirty old town  
  
I'm gonna make me a good sharp axe  
Shining steel tempered in the fire  
I'll chop you down like an old dead tree  
Dirty old town, Dirty old town
