

Tin whistle tabs for: Don't Look Back In Anger

Author/Performer: Oasis

Slip in side the eye of your mind

Don't you know you might find

A better place to play

You said, that you'd never been

But all the things that you've seen

Slowly fade a-way

So I start a rev-o-lu-tion from my bed

'Cause you said the brains I had

Went to my head

Step outside, sum-mer-times in bloom

Stand up be-side the fi-re place

Take that look from off your face

You aint ev-er gon-na burn my heart ___ out
Chorus

So Sal-ly can wait

She knows it's too late

As she's walking on by

My Soul slides a-way

But don't look back in an-ger

I heard you say

Verse 2 (same tune)

Take me to the place where you go
 Where nobody knows, if it's night or day
 Please don't put your life in the hands
 Of a rock and roll band, who'll throw it all away
 Im gonna start a revolution from my bed
 'Cause you said the brains I had,
 Went to my head
 Step outside the summertime's in bloom
 Stand up beside the fireplace,
 Take that look from off your face
 Cause you aint never gonna burn my heart out.

Chorus and Coda

So Sal-ly can wait

She knows it's too late

As she's walking on by

My Soul slides a-way

But don't look back in an-ger

I heard you say

So Sal-ly can wait

She knows it's too late

As she's walking on by

My Soul slides a-way

But don't look back in an-ger

Don't look back in an-ger

I heard you say

It's not too late.....
