

Tin whistle tabs for: Fast Car

Author/Performer: Tracy Chapman

You got a fast car

I want a ticket to anywhere

Maybe we make a deal

Maybe together we can get somewhere

Anyplace is better

Starting from zero- got nothing to lose

Maybe we'll make something

But me myself I've got nothing to prove

You got a fast car

I got a plan to get us out of here

I been working at the convenience store

Managed to save just a little bit of money

Won't have to drive too far

Just 'cross the border and into the city

You and I can both get jobs

And fin'lly see what it means to be living

See my old man's got a problem

He lives with the bottle that's the way it is

He says his body's too old for working

I say his body's too young to look like his

My mama went off and left him

She wanted more from life than he could give

I said somebody's got to take care of him

So I quit school and that's what I did

You got a fast car

Is it fast enough so we could fly away

We gotta make a decision

We leave tonight or live and die this way

I remember when we were driving driving in your car

speed so fast I felt like I was drunk

City lights lay out before us

And your arm felt nice wrapped 'round my shoulder

And I----- had a feeling that I belonged

I----- had a feeling I could be someone,

be someone, be someone

You got a fast car

We go cruising to entertain ourselves

You still ain't got a job

And I work in the market as a checkout girl

I know things will get better

You'll find work and I'll get promoted

We'll move out of the shelter

Buy a big house and live in the suburbs

You got a fast car

I got a job that pays all our bills

You stay out drinking late at the bar

See more of your friends than you do of your kids

I'd always hoped for better

Thought maybe together you and me would find it

I got no plans I ain't going nowhere

So take your fast car and keep on driving

You got a fast car

Is it fast enough so you can fly away--

You gotta make a decision

You leave tonight or live and die this way
