

# Tin whistle tabs for: Five Little Monkeys

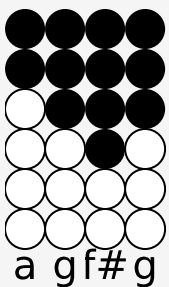

Five little monkeys

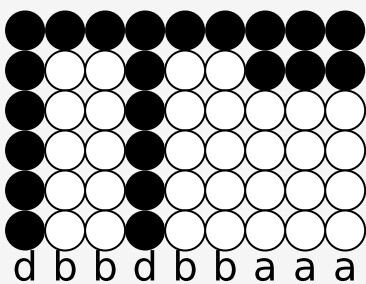

walked along the shore.

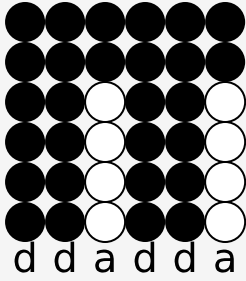

One went sailing,

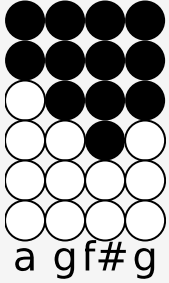

then there were four.

Four little monkeys climbed up a tree.

One of them tumbled down,

then there were three.

Three little monkeys found a pot of glue.  
One got stuck in it and then there were two.  
Two little monkeys found a raisin bun.  
One ran away with it, now there is one.  
One little monkey red in the face.  
They trained him as an astronaut  
and sent him out in space.
