

Tin whistle tabs for: Found a Peanut

Found a peanut, found a peanut,

Found a peanut just now,

Just now I found a peanut,

Found a peanut just now.

Cracked it open

It was rotten

Ate it anyway

Got a stomach ache

Called the doctor

Penicillin

Operation

Died anyway

Went to heaven

Wouldn't take me

Went the other way

Didn't want me

Was a dream

Then I woke up

Found a peanut
