

Tin whistle tabs for: Heat Of The Moment v2

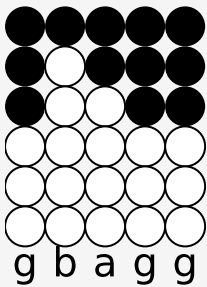

Author/Performer: Asia

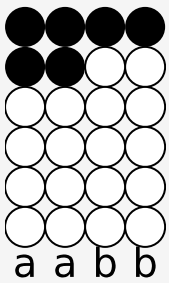

I nev-er meant to be so bad to you

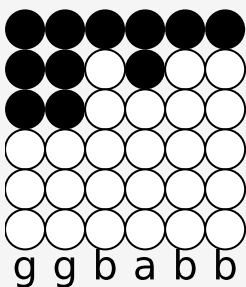

One thing I said that

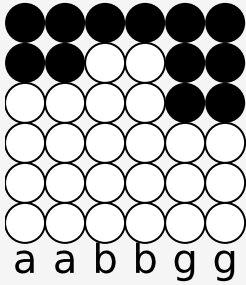

I would nev-er do

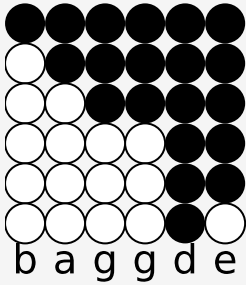

A look from you

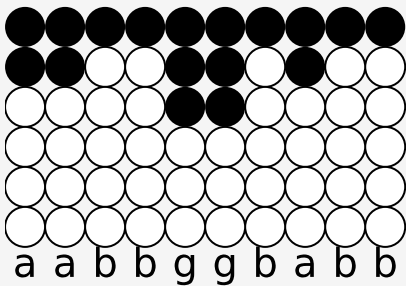

and I would fall from grace

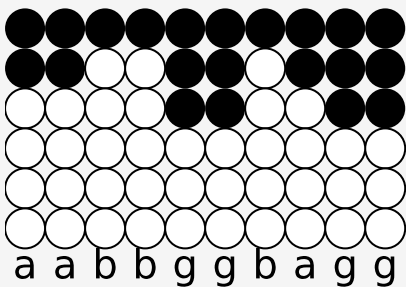

And that would wipe the smile

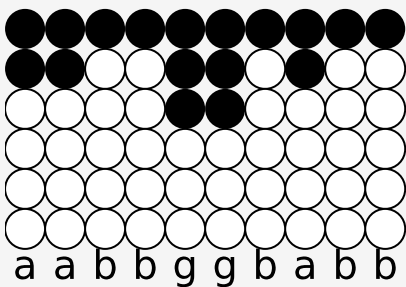

right from my face

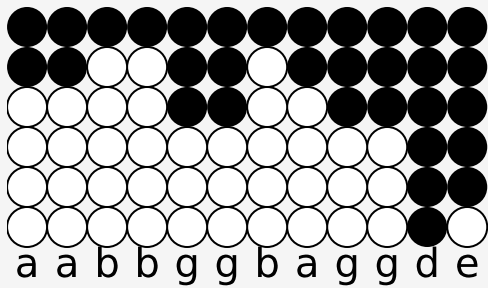

Do you re-mem-ber when we used to dance

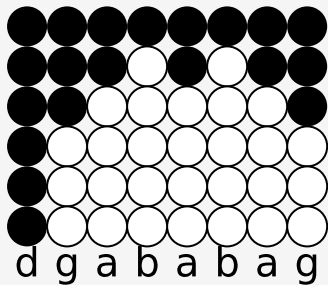

And in-ci-dents a-rose from cir-cum-stance

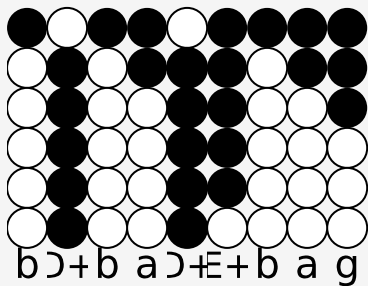

One thing led to an-oth-er we were young

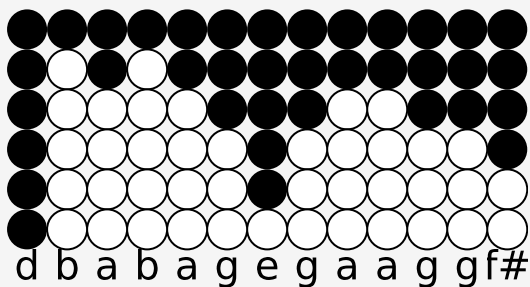

And we would scream to-gether songs un-sung
(Chorus:)

It was the heat of the mo-ment

Tell-ing me what my heart meant

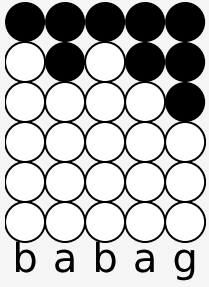

The heat of the mo-ment showed in your eyes
And now you find yourself in 82
The disco hotspots hold no charm for you
You can't concern yourself with bigger things
You catch the pearl and ride the dragon's wings

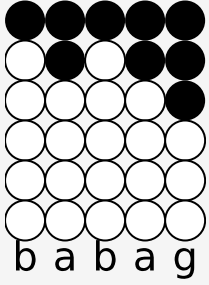

(Chorus)

And when your looks are gone and you're alone
How many nights you sit beside the phone
What were the things you wanted for yourself
Teenage ambition you remember well

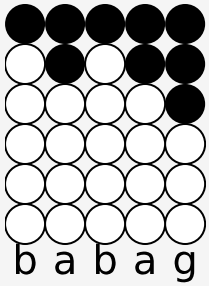

(Chorus: 2x)

Heat of the mo-ment

Heat of the mo-ment

Heat of the mo-ment
