

Tin whistle tabs for: I Love A Sunburnt Country

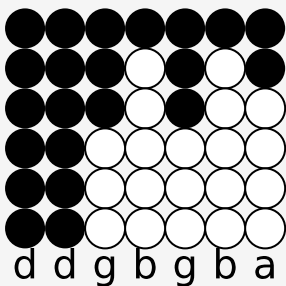

Author/Performer: Dorothea Mackellar

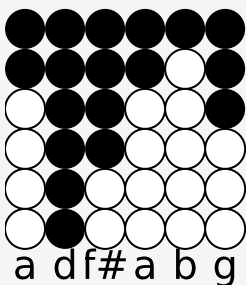

I love a sun-burnt coun-try,

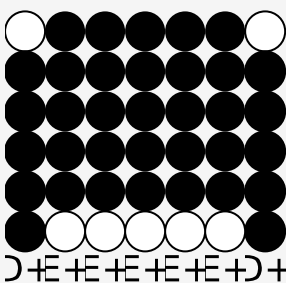

A land of swee-ping plains,

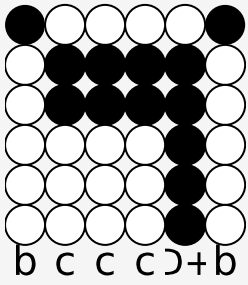

Of ragg-ed mount-ain ran-ges,

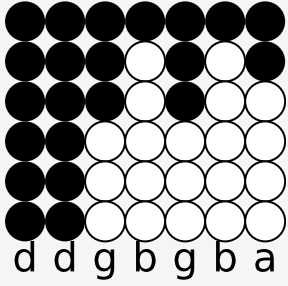

Of droughts and flood-ing rains,

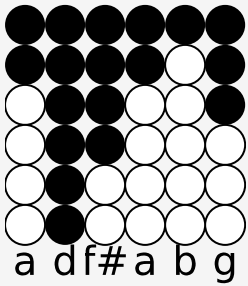

I see her far hor-i-zons,

I love her jew-el sea,

Her beau-ty and her ter-ror,

The wide brown land for me.
