

Tin whistle tabs for: Pie In The Sky

Genre: folk

Author/Performer: Joe Hill , Woody Guthrie

Long-haired preachers come out every night

Try to tell us what's wrong and what's right

But when asked about something to eat

They will answer in voices so sweet:

Your gonna eat, bye and bye

When you learn how to cook and to fry

Chop some wood, it'll do you good

There'll be pie in the sky when you die.

That's a lie

And the starvation army they play
 They sing and they clap and they pray
 'Till they get all your coin on the drum
 Then they'll tell you when you're on the bum:
 You're gonna eat, bye and bye, poor boy
 In that glorious land above the sky, way up high
 Work and pray, live on hay
 You'll get pie in the sky when you die
 Dirty lie

Holy Rollers and jumpers come out
 They holler, they jump, Lord, they shout
 Give your money to Jesus they say
 He will cure all troubles today

And you will eat, bye and bye,
 In that glorious land above the sky, way up high

Work and pray, boy, live on hay,
You'll get pie in the sky when you die.
If you fight hard for children and wife
Try to get something good in this life
You're a sinner and bad man, they tell
When you die you will sure go to hell
You will eat, bye and bye
In that glorious land above the sky
Work and pray, live on hay
You'll get pie in the sky when you die
Workingmen of all countries, unite
Side by side we for freedom will fight
When this world and its wealth we have gained
To the grafters we'll sing this refrain:
Well, you will eat, bye and bye
When you've learned how to cook and to fry
Chop some wood, it'll do you good
You will eat in the sweet bye and bye
Yes you'll eat, bye and bye
In that glorious land above the sky, way up high
Work and pray, and live on hay
You'll get pie in the sky when you die
That's a lie....
