Tell me something girl

Are you happy in this modern world?

Or do you need more?

Is there something else you're searching for?

I'm falling

In all the good times I find myself a longin' for change

And in the bad times I fear myself

Tell me something boy

Aren't you tired trying to fill that void

Or do you need more?

Ain't it hard keeping it so hardcore

I'm falling

In all the good times I find myself longing for change

And in the bad times I feel myself

I'm off the deep end, watch as I dive in

I'll never meet the ground

Crash through the surface, where they can't hurt us

We're far from the shallow now

In the sha-ha, sha-la-low

In the sha sha-la-la-la-low

In the sha-a sha-a-la-low

We're far from the shallow now

Ho ha ah ah ah

Ah ha ah ah ah oh ah ha ah ah ah ah

I'm off the deep end, watch as I dive in

I'll never meet the ground

Crash through the surface, where they can't hurt us

We're far from the shallow now

In the sha-ha, sha-la-low

In the sha-ha sha-la-la-la-low

In the sha-ha, sha-la-low

We're far from the shallow now
