Now and then I think of when we were together

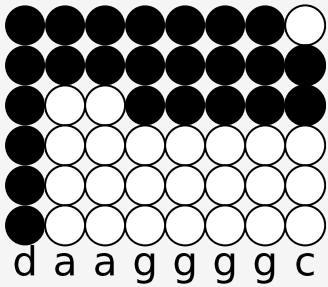

Like when you said you felt so happy you could die

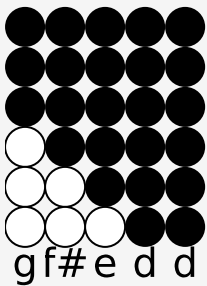

Told myself that you were right for me

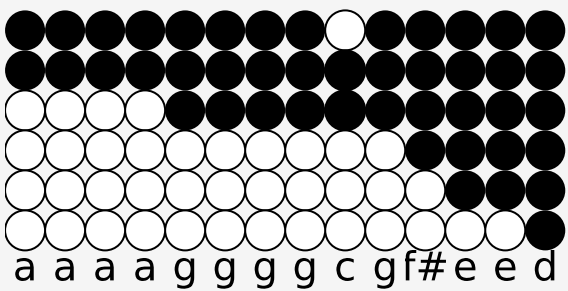

But felt so lonely in your company

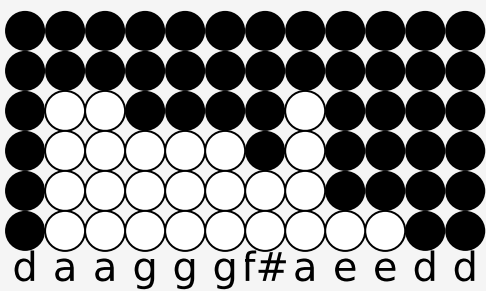

But that was love and it's an ache

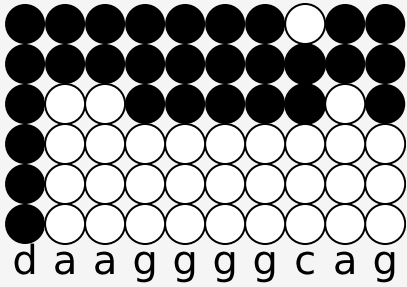

I still remember

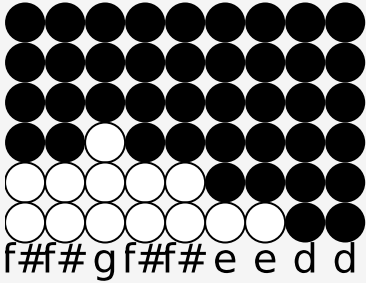

You can get addicted to a certain kind of sadness

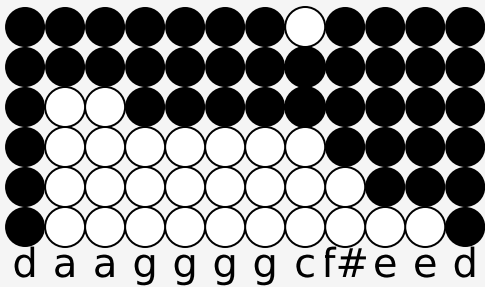

Like resignation to the end al-ways the end

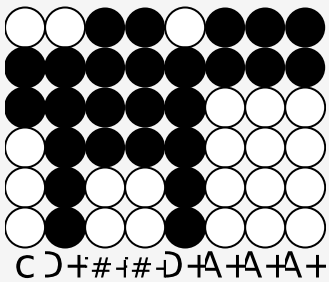

So when we found that we could not make sense

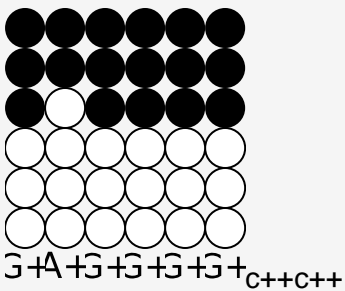

Well you said that we would still be friends

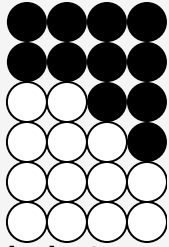

But I'll admit that I was glad that was over

You didn't have to cut me off

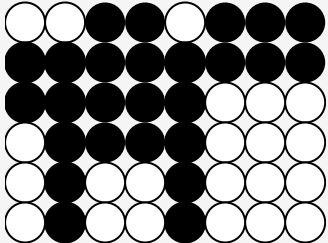

Make out like it never happened
