

Tin whistle tabs for: Song Of The Volga Boatmen

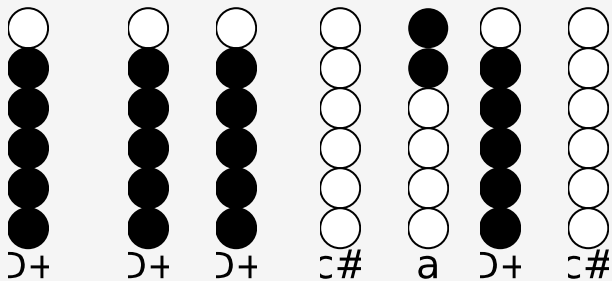

Genre: folk

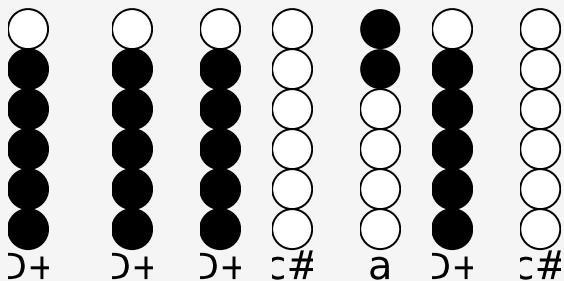

Yo Oh Heave Ho Yo Oh Heave Ho

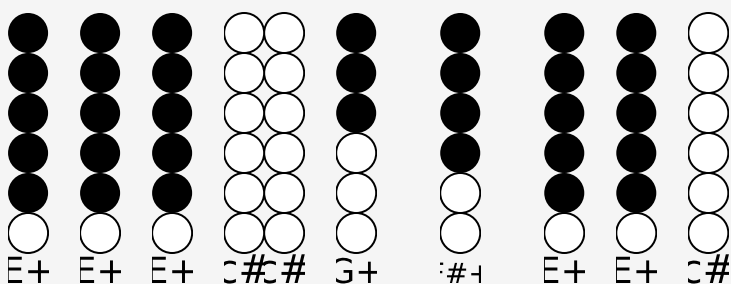

Pull to-geth-er Yo Oh Heave Ho

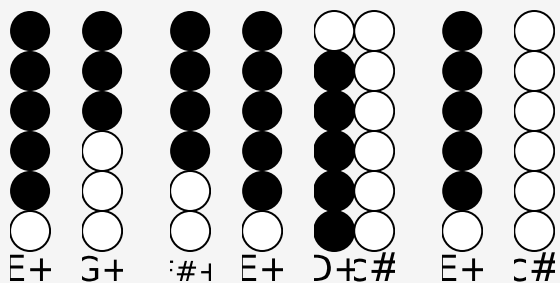

Waves are break-ing dark the night

Shore has fad-ed from our sight

Row now to-geth-er dont mind the wea-ther

Pull to-geth-er Yo Oh Heave Ho
 Down the river thts our chore
 Bend your backs together
 Pull men more
 Row now together dont mind the weather
 Pull together yo oh heave ho
 Backs are aching time is short
 Thorough rough waters we have fought
 Row now together etc
