White lips, pale face

Breathing in snowflakes

Burnt lungs, sour taste

Light's gone, day's end

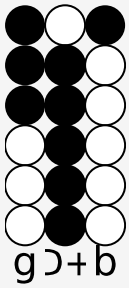

a a b g D+ b

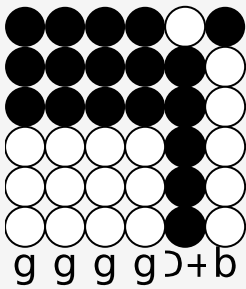

Struggling to pay rent

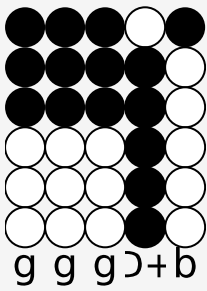

Long nights, strange men

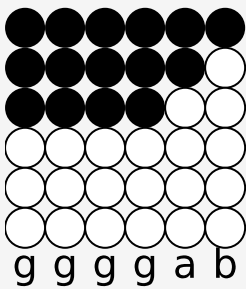

And they say

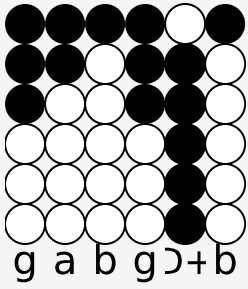

She's in the Class A Team

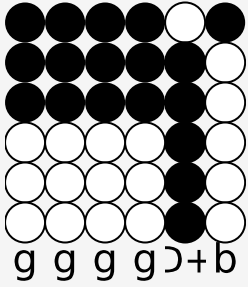

Stuck in her daydream

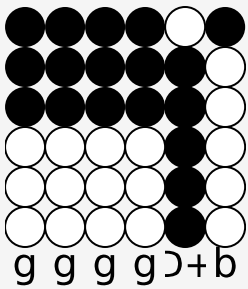

Been this way since eighteen

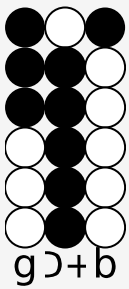

But lately her face seems

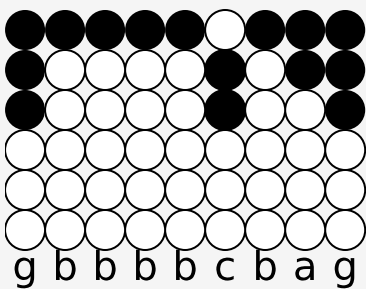

Slowly sinking, wasting

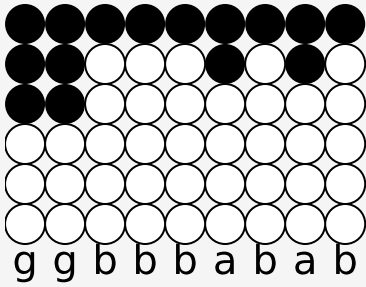

Crumbling like pastries

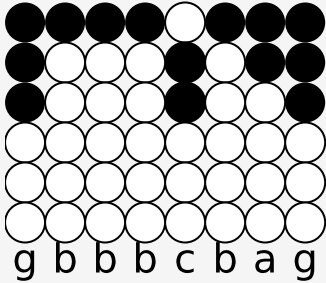

And they scream

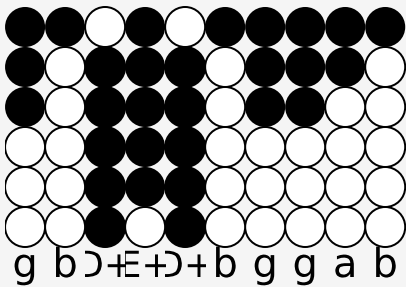

The worst things in life come free to us

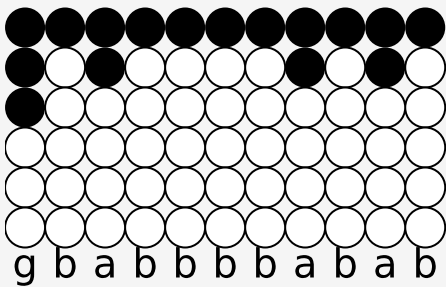

'Cause we're just under the upper hand

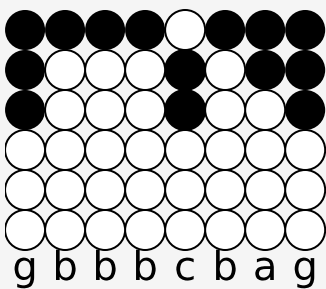

And go mad for a couple grams

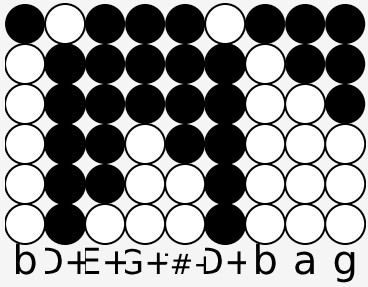

And she don't want to go outside tonight

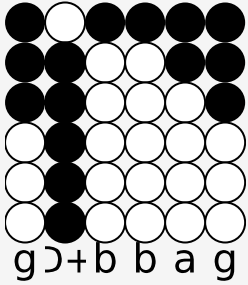

And in a pipe she flies to the Motherland

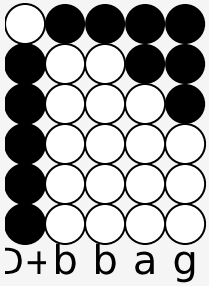

Or sells love to another man

It's too cold outside

For angels to fly

Angels to fly
