

Tin whistle tabs for: The StrÖmming Boats

Genre: folk

The boats are home-ward com-ing

a-cross the brim-ming fjord

the nets are full of ström-ming

and all are gay a-board

but home-ward nev-er-more comes my sail-or

the fish-ers huts are lad-en

theyre bak-ing brit-tle bread

what care they that a maid-en

is weep-ing for her dead

that bells will nev-er ring for her wed-ding

O cold the storm as blowing
No winding sheet had he
No parting kiss bestowing
They buried him at sea
With all my heart beside
In the blue tide

strömming- a fish much like a herring
caught in large quantities off the Gulf
of Bothnia Sweden.
