

# Tin whistle tabs for: The Worst Hangover

Genre: folk

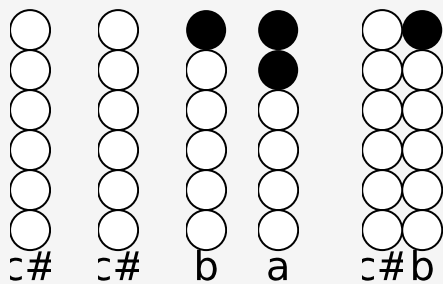

Author/Performer: Warren Fahey

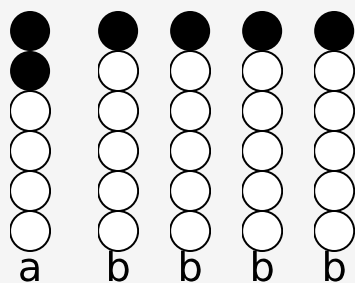

I'm get-ting ov-er, the worst hang-ov-er,

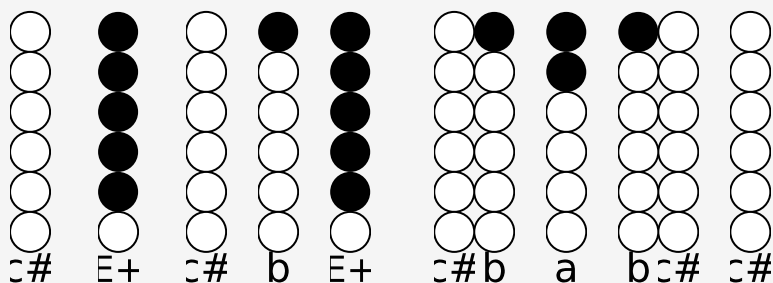

That I've ev-er had be-fore.

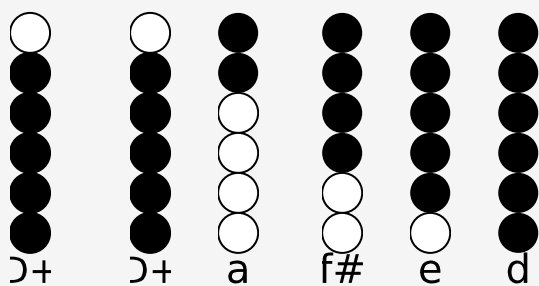

The first was the whisk-y,

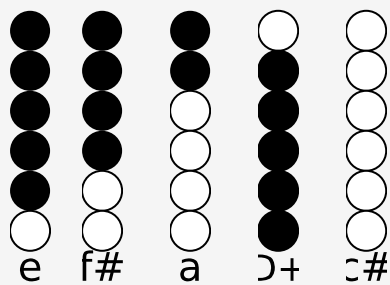

The sec-ond was gin,

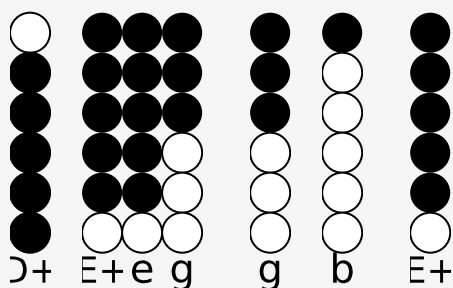

The third was the beer, with a cig-ar-ette in!

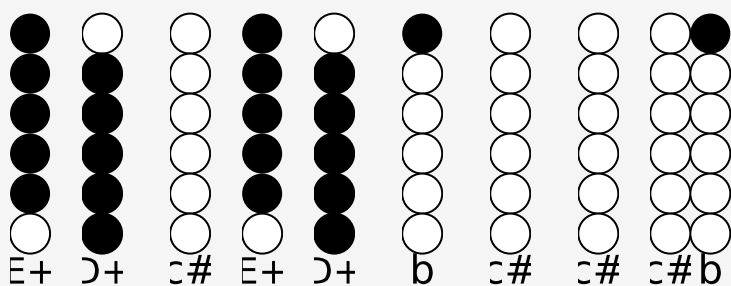

There's no need, ex-plain-ing,

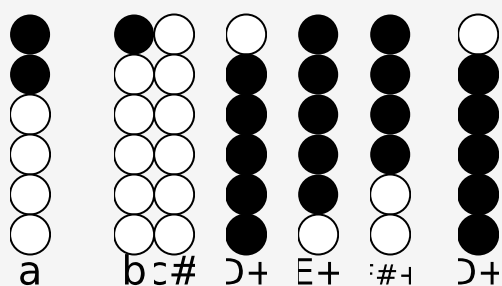

The one re-main-ing,

It's ov-er the kit-chen floor!

I'm get-ting ov-er, the worst hang-ov-er,

That I've ev-er had be-fore!
