

# Tin whistle tabs for: Three Nights Drunk

Genre: folk

The first night that I come home

So drunk I could not see

Found a horse in my stable

Where my horse oughta be

Come here my little wifey

Explain this thing to me

How come a horse in the stable

Where my horse oughta be?

You blind fool, you crazy fool

Can't you never see?

It's only a milkcow

You're granny sent to me

I've traveled this world over

Ten thousand miles or more

But a saddle upon a milkcow's back

I never did see before

**same for other verses**

The second night that I come home  
So drunk I could not see  
Found a coat a-hanging on the rack  
Where my coat oughta be  
Come here my little wifey  
Explain this thing to me  
How come a coat a hanging a  
hanging on the rack  
Where my coat oughta be?  
You blind fool, you crazy fool  
Can't you never see?  
It's only a bedquilt  
You're granny sent to me  
I've traveled this world over  
Ten thousand miles or more  
Pockets upon a bedquilt  
I never did see before

The third night that I come home  
So drunk I could not see  
Found a head a-laying on the pillow  
Where my head oughta be  
Come here my little wifey  
Explain this thing to me  
How come a head a-laying on the pillow  
Where my head oughta be?  
You blind fool, you crazy fool  
Can't you never see?  
It's only a cabbage head  
You're granny sent to me  
I've traveled this world over  
Ten thousand miles or more  
But a moustache on a cabbage head  
I never did see before
